## CASE DESCRIPTION / SUMMARY

### Facts:

The petitioner, a registered assessee, was subjected to inspection and show cause notices were issued under [Section 74](#) of the TNGST Act for FY 2020-21 and 2021-22. Orders in Form GST DRC-07 dated 28.02.2024 demanding tax, interest and penalty were passed. The petitioner contended that the orders were only uploaded on the GST portal and were not otherwise communicated, resulting in the lapse of the time limit for filing appeal under [Section 107](#).

### Court Decision:

The Court held that [Section 107](#) provides that limitation for filing appeal runs from the date on which the order is “communicated” to the assessee. [Section 169](#) deals with modes of “service”, but the expressions “served” and “communicated” are not synonymous. Mere uploading of the order on the GST portal does not amount to communication of the order to the assessee.

Since the impugned orders had only been uploaded on the portal and were not communicated to the petitioner through other modes, the limitation period for filing appeal had not commenced. The Court directed the authority to communicate the impugned orders to the petitioner, after which the petitioner would be at liberty to file an appeal under [Section 107](#). Until such communication, the orders could not be enforced.
